

Addition testing for individual components of Solar PV lighting system

Addition testing for individual components such as the luminaire (including controller), SPV module, and battery of solar lighting systems with the following conditions:

- It should be ensured that the individual components submitted for additional testing are of the same specifications as the original component submitted if NISE declares the individual component as PASS.
- A compatibility certificate for the resubmitted sample and a test report of the particular tests conducted (i.e., NISE declared the individual component as PASS) on the resubmitted sample should be provided along with the previous report with its reference.

Testing Fees:

Component	Test Charge (INR)
Luminaire (including controller)	20,000 +18% GST
PV module	4,550 +18% GST
Battery	11,850 +18% GST

Bank mandate of NISE for addition testing for individual components such as the luminaire (including controller), SPV module, and battery of solar lighting systems is attached Below
